## Yacht Haven Park & Marina

### Summary

Yacht Haven Park & Marina, located in Fort Lauderdale, Florida, is a prestigious waterfront RV park and marina that caters to travelers seeking upscale and luxurious accommodations. The park combines scenic views of the Intracoastal Waterway with full-service amenities designed for comfort and convenience. Known for excellent marina services, spacious RV sites, and a prime location near the vibrant South Florida lifestyle, Yacht Haven Park is ideal for large rigs up to 45 feet, offering easy access, pet-friendly policies, and upscale facilities perfect for discerning RV travelers.

### RV Sites

- **Site Size and Configuration:** Yacht Haven Park provides generously sized RV sites designed to accommodate large rigs, including those up to and exceeding 45 feet in length. Sites offer ample space for slide-outs, outdoor seating areas, and privacy.
- **Waterfront Views:** Many sites are positioned along the marina docks or provide direct views of the Intracoastal Waterway, offering a unique experience combining boater and RV lifestyles.
- **Full Hookups:** Each site is equipped with full hookups including 30/50 amp electrical service, fresh water, and sewer connections to ensure convenience and comfort during your stay.
- **Concrete Pads & Pull-Through Sites:** The RV sites feature well-maintained concrete pads, with a number of pull-through options available for easy ingress and egress of large rigs.

### Facilities & Amenities

- **Marina Access:** As a combined yacht marina and RV park, Yacht Haven provides seamless access to dock space for boats and yachts, making it a perfect fit for traveling boaters with RVs.
- **Luxury Clubhouse:** The park includes a stylish clubhouse offering gathering areas, event space, and sometimes social activities tailored to upscale guests.
- **Restrooms & Showers:** Modern, clean restrooms and shower facilities are maintained for guest comfort.
- **Laundry Facilities:** On-site laundry amenities are available, equipped with high-quality washers and dryers.
- **Wi-Fi & Cable TV:** Complimentary or premium Wi-Fi access is provided throughout the park, along with cable TV connections at each site.
- **Fitness Center:** Some upscale fitness options are available either on-site or nearby.
- **Security:** Gated entry and professional on-site security ensure a safe and secure environment.
- **Maintenance & Repairs:** Access to professional maintenance and repair services may be coordinated through the marina facilities.

### Access for Large Rigs (45 feet and above)

- **Road Access:** The approach routes to Yacht Haven Park accommodate large RVs with wide streets and minimal low-clearance obstacles. The park's location along State Road 84 provides straightforward access without tight turns or narrow passages.
- **Onsite Maneuverability:** The park's driveways, roads, and site entrances are designed to handle large vehicles, including rigs up to 45 feet or more, with adequate turning radii and clear signage.
- **Parking Ease:** Pull-through sites help facilitate easy parking without complicated backing maneuvers, highly beneficial for large motorhomes and fifth wheels.

## Dog Friendliness

- **Pet Policy:** Yacht Haven Park is pet friendly, welcoming dogs with reasonable restrictions to ensure comfort for all guests.
- **Designated Pet Areas:** There are designated dog walking areas or green spaces within the park for exercising pets responsibly.
- **Pet Etiquette:** Guests are expected to follow leash laws and clean up after their pets to maintain the park's upscale atmosphere.
- **Nearby Pet Services:** Being in Fort Lauderdale, the park is close to several veterinary clinics, pet supply stores, and dog grooming services.

## Location Highlights

- **Prime Location:** Situated on the west side of the Intracoastal Waterway, near downtown Fort Lauderdale, offering easy access to beaches, shopping, dining, and cultural attractions.
- **Marina Amenities:** Guests can easily enjoy boating, fishing, and water sports with marina services including fueling, dockage, and yacht maintenance.
- **Nearby Attractions:** Las Olas Boulevard, Fort Lauderdale Beach, and various parks and museums are all within a short drive.
- **Weather:** Subtropical climate provides mild winters and warm summers, ideal for year-round RV travel and boating.

---

Yacht Haven Park & Marina is a premier destination for upscale RV travelers who want spacious, fully equipped sites and easy access to marina and city amenities. It offers the perfect blend of luxury and convenience, especially for those with larger rigs or combined RV and boating lifestyles.

## Floridays RV Park

### Summary

Floridays RV Park is an upscale RV resort located in Hobe Sound, Florida, known for its spacious, premium RV sites and a tranquil atmosphere nestled near the Atlantic coast. This park offers well-appointed amenities tailored for comfort and convenience, including full-hookup sites, a sparkling pool, and meticulous landscaping. Designed to accommodate large RVs up to 45 feet with ease, Floridays provides wide, level concrete pads, shaded spaces, and easy access routes. It is pet-friendly, offering a pleasant environment for dogs with designated areas and welcoming policies.

### RV Sites

- **Site Size & Comfort:** Each RV site is large and spacious, typically around 60 feet long and 30 feet wide, with concrete pads to ensure stable parking and level footing.
- **Full Hookups:** Every site includes full hookups for water, sewer, and 30/50 amp electric service, supporting a wide range of RV types and requirements.
- **Privacy & Shade:** Sites are well spaced with natural palm and native tropical tree landscaping providing shade and privacy, enhancing the upscale resort ambiance.
- **Large Rig Accommodation:** The park is designed to accommodate RVs up to 45 feet long. Wide and well-paved internal roads and driveways ensure easy maneuvering and parking.

### Facilities & Amenities

- **Pool & Recreation:** A large, heated swimming pool with lounge chairs for relaxation is a central feature, alongside a clubhouse offering social and recreational activities.
- **Wi-Fi Access:** High-speed Wi-Fi is available throughout the park, suitable for both leisure and business travelers.
- **Laundry Facilities:** Clean, modern laundry rooms on-site for guest convenience.
- **Restrooms & Showers:** Though most guests rely on private facilities, premium restrooms and showers are available and maintained at a high standard.
- **Fishing & Beach Access:** Located near the Intracoastal waterway and close to beaches, the park offers opportunities for fishing and outdoor water activities.
- **Security & Management:** The park boasts gated access with professional on-site management ensuring a safe and secure environment.

### Access for Large Rigs (45 Feet)

- **Route:** Located on SE Federal Highway, the approach to the park is straightforward and RV-friendly without tight turns or low clearances.
- **Internal Roads:** Wide, paved roads within the park accommodate large rigs with ample room to turn and park without difficulty.
- **Site Access:** Concrete pads with sufficient frontage and depth allow parking large rigs

comfortably without encroaching on neighboring sites.

## **Dog Friendliness**

- **Pet Policy:** Floridays RV Park welcomes dogs, maintaining a pet-friendly stance without breed restrictions mentioned on their official site.
- **Pet Areas:** Designated dog-walking areas and green space allow pets to exercise comfortably within the secure grounds.
- **Cleanliness:** The park encourages responsible pet ownership, with pet waste stations and rules to keep grounds clean and enjoyable for all guests.

---

Floridays RV Park presents itself as an upscale, serene retreat ideal for travelers seeking comfort, space, and excellent facilities near Florida's scenic coastlines. Its ability to accommodate large RVs, combined with premium amenities and pet-friendly policies, makes it a prime choice for discerning RV owners.

## PGA National Resort - The Champion Course

### Summary

The Champion Course at PGA National Resort, located in Palm Beach Gardens, Florida, is a legendary golf venue renowned for its challenging layout and prestigious history as the former host of the PGA Tour's Honda Classic. Designed by renowned course architect Tom and George Fazio and later redesigned by Jack Nicklaus, this 18-hole championship course is distinguished by its strategic water hazards, undulating greens, and demanding length. It features multiple tee options to accommodate a wide range of skill levels, making it a top destination for both serious golfers and enthusiasts. The course is well-rated nationally and has excellent facilities including convenient tee time availability and an on-site dining option. Green fees reflect its premium status but are competitive for a resort of this caliber.

---

### Course Description

The Champion Course is a par-72 layout that offers a stern yet fair test of golf, often cited as the most challenging of the five courses at PGA National Resort. Known primarily for the "Bear Trap," a tough three-hole stretch (15th, 16th, 17th) that has tested the mettle of many PGA Tour professionals, it demands precision and thoughtful strategy.

- **Designer:** Originally designed by Tom and George Fazio in 1979, it underwent a significant redesign by Jack Nicklaus in 2002, who infused his signature strategic elements while preserving the original challenge.
- **Course Features:** The course is characterized by a mix of water hazards on nearly every hole, heavily bunkered greens, and challenging elevation changes. The Bear Trap holes are famed for their narrow fairways and water-threatened approaches.

---

### Tee Sets, Length, Rating and Slope

Tee Set	Yardage	Course Rating	Slope Rating
Championship	7,098 yds	75.5	141
Members	6,691 yds	72.7	131
Middle	6,274 yds	70.5	125
Forward (Ladies)	5,165 yds	69.2	117

This variety of tees allows for play ranging from championship-level difficulty to more accessible options for intermediate or casual players.

---

## Course Ranking

The Champion Course holds an esteemed reputation:

- Frequently ranked among the top courses in Florida by Golf Digest.
- Recognized as one of the top 100 courses in the U.S. by Golfweek.
- Regularly featured on lists of best resort courses and top golf courses in Palm Beach County.

Its hosting of professional tournaments like the Honda Classic cements its status as a premier venue.

---

## Tee Time Availability

Tee times at The Champion are generally available through PGA National Resort's official website and by phone. While advanced reservations are recommended due to its popularity and tournament schedule, the resort efficiently manages bookings for both resort guests and public players, with options for immediate confirmations. Non-resort guests can usually secure tee times, especially outside of peak tournament weeks.

---

## On-Site Dining

PGA National Resort offers multiple dining options, including those accessible to players at The Champion Course. The Two Chefs Kitchen provides a varied menu featuring breakfast, lunch, and dinner with a focus on fresh, locally sourced ingredients. Additionally, the Bear's Clubhouse offers a golf-specific menu ideal for a relaxed meal or refreshments before or after a round.

---

## Green Fees

Green fees at The Champion Course vary depending on the season and time of day, generally ranging from approximately:

- **Peak Season (Winter/Spring):** \$250 - \$350 per round
- **Off-Peak Season:** \$150 - \$250 per round
- **Twilight Rates:** Reduced rates available later in the day

Package deals and resort guest rates may offer additional value. The course's premium pricing aligns with its high quality and competitive professional status.

---

## Location

- Address: 400 Avenue of the Champions, Palm Beach Gardens, FL 33418
- Coordinates: Latitude 26.8280728, Longitude -80.1425132

## Waterfront - Stuart, FL

### Summary

Waterfront in Stuart, Florida, is a vibrant waterfront dining destination known for its fresh seafood and coastal cuisine. It features a well-stocked bar that also serves a variety of flavorful dishes. The restaurant offers outdoor seating with stunning river views, making it a popular spot for both locals and visitors. Waterfront is dog-friendly, allowing guests to enjoy meals with their pets in the outdoor areas. The menu emphasizes fresh, local ingredients reflective of a farm-to-table ethos, supporting sustainable and seasonal produce.

### Detailed Description

#### Cuisine

Waterfront specializes in coastal cuisine with a strong seafood focus. Many of the dishes highlight fresh catches from local waters, complemented by fresh produce sourced from regional farms. The menu blends traditional and contemporary flavors, ensuring a refined yet approachable dining experience. Alongside seafood, the restaurant serves steak and other American cuisine staples, offering a range of options for diverse palates.

#### Bar Area

The restaurant features a lively bar that serves a broad selection of craft cocktails, local beers, and fine wines. Guests can order from a curated selection of bar snacks and smaller plates, making the bar area an inviting place for casual dining and socializing.

#### Reservations and Seating

Waterfront is a popular venue, particularly during weekends and peak dining hours. While the atmosphere is relaxed, securing a table without a reservation can be challenging during busy times, especially for larger groups. Walk-ins are often accommodated depending on the time of day, with earlier or later dining times more favorable for seating without a reservation.

#### Dog-Friendly Policy

Waterfront warmly welcomes dogs in its outdoor seating areas. Pet owners can enjoy meals alongside their furry companions, enhancing the friendly and inclusive vibe of this waterfront spot.

#### Outdoor Seating and Atmosphere

The restaurant offers ample outdoor seating options that take full advantage of its scenic riverfront location. The ambiance is casual yet elegant, with beautiful views that provide a perfect backdrop for dining, social events, or relaxing with a sunset cocktail.

#### Farm-to-Table Focus

A key feature of Waterfront's dining philosophy is its commitment to farm-to-table principles. The

kitchen prioritizes sourcing organic and seasonal ingredients from local farmers and fishermen. This approach not only ensures freshness but also supports sustainable practices in the community, making the menu an ever-changing farm-fresh showcase of Florida's best offerings.

## Summary

Safari I Deep Sea Fishing in Stuart, Florida, offers premier fishing charters for enthusiasts looking to experience the rich marine life of the Atlantic waters off the coast of Florida. Known for deep-sea fishing excursions, this operation caters to both novices and experienced anglers, providing fully equipped boats and expert guidance. Situated in a convenient location with easy access to prime fishing spots, Safari I is a popular choice for those looking to catch species such as sailfish, mahi-mahi, tuna, and more.

## Safari I Deep Sea Fishing

### Location

- **Address:** 4307 SE Bayview St, Stuart, FL, 34996, United States
- **Coordinates:** Latitude 27.1503605, Longitude -80.195396

### Overview

Safari I Deep Sea Fishing specializes in offshore fishing trips along the coast of Stuart, Florida. Their deep-sea fishing charters are designed to provide an exciting and productive fishing experience. They cater to all skill levels and offer trips that vary in length depending on preferences.

### Fishing Activities

- **Type:** Deep sea fishing charters
- **Typical Target Species:** Sailfish, mahi-mahi, tuna, wahoo, kingfish, snapper, and others
- **Trip Lengths:** Half-day, full-day, extended trips (customized upon request)
- **Boat Capacity:** Up to 6 passengers, allowing a comfortable fishing experience
- **Guides:** Experienced captains knowledgeable of the local waters and fish behavior
- **Equipment:** Rods, reels, bait, and tackle are provided; guests may bring their own gear

### Amenities and Services

- Fully equipped fishing vessel with safety gear
- Cooler on board for keeping the catch fresh
- Ice, water, and snacks available (sometimes provided or guests can bring their own)
- Options for family-friendly and private charters available

### Hours of Operation and Booking

- Typically operates 7 days a week depending on weather and fish availability
- Booking is required in advance, with schedules often starting early in the morning for best fishing conditions
- Guests are advised to check the website or call directly for the latest availability and weather-related updates

## Pricing

- Pricing varies depending on trip length and group size
- Typically, half-day trips start around a few hundred dollars per person or per charter (exact rates provided upon inquiry)

## Additional Notes

- The fishing environment is offshore, so appropriate sea-sickness precautions are recommended
- Children and beginners are welcome, with captains offering instruction and assistance as needed
- This experience is not only about fishing but also about enjoying the beautiful Atlantic seascape and marine life

## Website

- More information and reservations can be made through their official site:  
[<https://safari1deepseafishing.com>](<https://safari1deepseafishing.com>)

---

*Safari I Deep Sea Fishing offers a specialized marine adventure focused on deep-sea fishing in the rich waters near Stuart, Florida. It is perfect for anglers seeking big-game fish and a professionally guided experience in a safe and well-equipped setting.*

## Sherwood Forest RV Resort, Kissimmee, FL

### Summary

Sherwood Forest RV Resort is an upscale RV park located in Kissimmee, Florida, near Disney World, providing a premium camping experience with spacious, fully equipped sites and high-end amenities designed for comfort and convenience. The resort features large pull-through sites suited for rigs up to 45 feet, wide interior roads, and easy access from the highway, making it ideal for big rigs. Facilities include full hookups, clubhouse, pool, fitness center, and laundry, alongside dog-friendly policies and pet areas, ensuring a luxurious and accommodating stay for families, solo travelers, and pet owners alike.

### RV Sites

- **Site Size & Type:** Sherwood Forest RV Resort offers large paved sites with ample space tailored to accommodate trailers, fifth wheels, and motorhomes up to 45 feet in length comfortably. The sites are mostly pull-through, allowing for easy in-and-out access without the need to back up.
- **Full Hookups:** Each site includes full hookups with 30/50 amp electric service, water, and sewer connections.
- **Level Pads and Standards:** The pads are concrete or paved, level, and well maintained, ensuring stable setups and ease of maneuvering.
- **Privacy:** The sites are designed with landscaping and privacy buffers to give a feeling of seclusion despite the resort size.

### Facilities & Amenities

- **Clubhouse:** A central clubhouse provides a welcoming community space, often hosting social events, meetings, and activities.
- **Swimming Pool and Hot Tub:** Guests can enjoy a heated swimming pool and hot tub area ideal for relaxation after a day of sightseeing or travel.
- **Fitness Center:** A well-equipped fitness center supports guests' wellness routines.
- **Laundry & Restrooms:** Onsite laundry facilities are available 24/7, along with clean, modern restrooms and shower facilities.
- **Wi-Fi:** Complimentary Wi-Fi is provided throughout the resort, suitable for work and entertainment.
- **Security & Maintenance:** 24-hour gated security and an attentive maintenance crew ensure safety and pristine grounds.
- **Recreation Areas:** Additional areas common to upscale RV resorts such as picnic spots, barbecue grills, dog parks, and walking trails enhance guest experiences.
- **Pet-Friendly:** Pets are welcome, with designated dog walk areas and waste stations to facilitate a clean and comfortable stay for travelers with dogs.

## Access for Large Rigs (Up to 45 Feet)

- **Road Access:** Sherwood Forest RV Resort is accessible via W Irlo Bronson Memorial Hwy (US Hwy 192), one of Kissimmee's major thoroughfares that accommodates large vehicles safely. The approach roads feature wide lanes and smooth pavement to handle big rigs.
- **Interior Roads:** Within the resort, the roads are wide with smooth turns and gentle curves, allowing easy navigation for trailers and motorhomes up to 45 feet.
- **Parking Maneuverability:** Each site's pull-through design minimizes complicated backing maneuvers, particularly beneficial for less experienced drivers or very large vehicles.

## Dog Friendliness

- The resort welcomes dogs and provides safe, dedicated areas for on-leash and off-leash exercise.
- Walking paths and shaded grassy areas are suitable for dog walking.
- Pet waste stations are conveniently located throughout the property, helping maintain a clean environment.
- Rules generally require pets to be leashed and supervised while outside the RV to ensure safety and comfort for all guests.

---

Sherwood Forest RV Resort offers a refined RV park experience blending spacious accommodations, top-tier amenities, and excellent access for big rigs in a pet-friendly environment, making it an excellent choice for travelers looking for luxury and convenience near Central Florida's premier attractions.

## Disney's Oak Trail Golf Course

### Summary

Disney's Oak Trail Golf Course is a charming 9-hole walking golf course located at Walt Disney World in Bay Lake, Florida. Known for its scenic layout amid natural woodlands, this course provides a more relaxed, recreational golfing experience ideal for beginners, families, or those seeking a break from traditional golf courses. It complements the more extensive Magnolia Golf Course at Disney with its compact, rustic appeal. Oak Trail features varying tee options suitable for different skill levels, offers affordable green fees, and has convenient access to tee times. Although it does not have an onsite restaurant, the proximity to other dining venues at Walt Disney World makes meal options easily accessible.

### Course Description

- **Type:** 9-hole walking golf course
- **Setting:** The course winds through peaceful woodlands, offering a more intimate and casual golfing environment compared to full 18-hole championship courses.
- **Playing Style:** Emphasizes walking play on all holes, promoting a leisurely pace without the use of golf carts.
- **Course Layout:** An easier, shorter layout designed for all skill levels, making it suitable for beginners and families.

### Designer

- Designed by **Tom Fazio**, a renowned golf course architect recognized for creating some of the most picturesque and player-friendly golf courses globally. Oak Trail reflects his focus on natural beauty and enjoyable course strategy.

### Course Length, Rating & Slope

The course offers multiple sets of tees, each catering to different playing abilities:

Tee Set	Length	Course Rating	Slope Rating
Black (Back)	2,932 yards	33.5	110
Blue	2,579 yards	32.1	108
Green	2,204 yards	31.3	102
Red	1,839 yards	30.1	98

*Note:* These measurements correspond to 9-hole play; typical play involves completing two loops to simulate 18 holes.

### Overall Course Ranking

- Oak Trail is generally considered a **recreational and beginner-friendly** course rather than a

top-tier championship venue.

- It is often rated as a **hidden gem** for casual golfers within the Walt Disney World resort, appreciated for its natural beauty and tranquil ambiance.
- Reviews on platforms like Golf Advisor and TripAdvisor give it above-average scores for value and enjoyment, particularly for families or novice golfers.
- It ranks below Disney's Magnolia Golf Course or Palm Golf Course in terms of challenge and prestige but is praised for its unique walking-only format.

### Ease of Getting Tee Times

- Tee times are **relatively easy to secure** compared to the busier, more prestigious Disney courses.
- Tee times can be booked via the official Walt Disney World Golf website or by phone.
- As a less crowded course, same-day tee times are often available, making it convenient for spontaneous play.

### Green Fees

- Green fees for Disney's Oak Trail Golf Course typically range from **\$30 to \$55 per 9 holes** for non-resort guests.
- Discounts are common for Walt Disney World resort guests and Annual Pass holders.
- Walking-only play is mandatory, and there are no cart fees, which helps keep costs lower than larger Disney golf courses.

### On-site Amenities

- There is **no dedicated restaurant or full-service clubhouse** on-site at Oak Trail.
- Limited snack or beverage options may be available nearby.
- The course is near the larger Magnolia Golf Course clubhouse, which offers dining and lounge facilities.
- Players often dine at the many restaurants available throughout the Walt Disney World Resort after playing.

### Location & Access

- Address: 1600 Seven Seas Dr, Bay Lake, FL 32830
- Coordinates: 28.4034104, -81.5923839
- Part of the Walt Disney World Resort golf complex, access requires typical park or resort admission where applicable.

---

This summary provides an overview of Disney's Oak Trail Golf Course tailored for relaxed, scenic, and affordable golfing experiences within one of the world's most famous resort destinations.

## Walt Disney World

### Summary

Walt Disney World Resort in Bay Lake, Florida, is one of the most famous and extensive entertainment complexes in the world. Spanning nearly 25,000 acres, it features four major theme parks, two water parks, numerous hotels, golf courses, and other recreational activities. Known for its world-class attractions, immersive storytelling, and family-friendly environment, Walt Disney World offers something for visitors of all ages. While the resort itself is primarily focused on theme parks and entertainment, it also provides unique outdoor experiences such as boating and nature trails, though traditional hiking or biking trails and museums in the conventional sense are limited.

### Location

- Address: N World Dr, Bay Lake, FL 32830
- Coordinates: Latitude 28.3802438, Longitude -81.5611765

### Theme Parks and Attractions

- Magic Kingdom Park: Classic Disney fairy tales and iconic Cinderella Castle.
- EPCOT: Celebrating technology and world cultures.
- Disney's Hollywood Studios: Movie-themed rides and attractions.
- Disney's Animal Kingdom: Featuring a blend of nature and themed attractions.
- Water Parks: Blizzard Beach and Typhoon Lagoon offer various water-based fun.

### Hiking and Bike Trails

Walt Disney World is primarily designed as a resort and theme park complex rather than a traditional hiking or biking destination. However, there are limited outdoor trails mainly for walking and enjoying nature, often inside or adjacent to resort properties:

- **Trails at Disney's Fort Wilderness Resort & Campground**

- Length: Various short walking trails.
- Difficulty: Easy.
- Dog Friendly: Designated pet-friendly areas available within the campground.
- Description: Nature pathways suitable for leisurely walks amidst wooded areas and streams.

- **Bike Rentals & Trails**

- Surface: Mostly paved and flat terrain within resorts.
- Length: Variable depending on area.
- Difficulty: Easy and family-friendly.
- Availability: Bike rentals available at select Disney resorts for exploring resort grounds.
- Note: No extensive mountain or trail biking is offered within the main resort areas.

## Museums and Exhibits

Walt Disney World does not host traditional museums on site, but several attractions and exhibitions within the parks feature museum-like qualities:

- EPCOT's World Showcase offers cultural displays and educational exhibits about the represented countries.
- Disney's Animal Kingdom includes animal conservation exhibits and interactive educational displays focusing on wildlife.

## Water Activities

Numerous water-based activities are available within the Walt Disney World Resort, including:

- **Boat Rentals**

- Various resorts offer electric boat rentals for serene lake cruising.

- **Canoeing**

- Canoe rentals are available at select locations, including Disney's Fort Wilderness.

- **Kayaking and Paddle Boarding**

- Paddle sport rentals are offered in certain resort water bodies.

- **Tubing and Waterpark Activities**

- Blizzard Beach and Typhoon Lagoon provide multiple water attraction types including tubing rides, wave pools, and water slides.

- **Fishing**

- Designated catch-and-release fishing areas are present in many resort lakes.

## Hours of Operation

- Hours vary widely by park and season.
- Typical:

- Theme Parks: Around 9:00 AM to 9:00 PM or later depending on events.

- Water Parks: Generally 10:00 AM to 5:00 PM.

- Resort amenities and recreational activities have varying hours.

- It is recommended to check the official Walt Disney World website for specific daily operating hours.

## Cost

- Theme Park Tickets: Range from approximately \$109 to over \$159 per day, with multi-day and park hopper options influencing price.
- Water Parks: Separate ticket required if not included in multi-day passes, around \$60–\$70 per day.
- Recreational Rentals (bike, boat, canoe): Typically \$10–\$25 per hour depending on the activity.

- Accommodations and dining pricing vary widely depending on resort and service level.

## **Official Website**

[<https://disneyworld.disney.go.com/>](<https://disneyworld.disney.go.com/>)

---

Walt Disney World Resort offers a magical blend of entertainment, cultural experiences, and light outdoor recreation. While it's not a primary destination for hiking or traditional biking, guests can enjoy nature trails and many water-based activities as part of their overall visit.

## Summary

Disney's Typhoon Lagoon Water Park, located in Orlando, Florida, is a tropical-themed water park offering a variety of water-based attractions and activities suitable for all ages. Known for its iconic surf pool, thrilling water slides, lazy rivers, and family-friendly play areas, Typhoon Lagoon delivers a unique blend of excitement and relaxation in a lush, tropical setting. Guests can experience everything from gentle snorkeling with tropical fish to adrenaline-pumping rides, making it a popular destination for both families and thrill-seekers.

## Disney's Typhoon Lagoon Water Park

### Overview

Disney's Typhoon Lagoon is one of Walt Disney World's two water parks, themed around a tropical paradise that was "hit by a storm," creating a fun and adventurous atmosphere. It features a storybook setting with palm trees, waterfalls, and a variety of attractions that cater to different interests and thrill levels.

### Attractions and Water Activities

- **Surf Pool (Typhoon Lagoon Surf Pool):** This is one of the largest outdoor wave pools in North America, generating waves up to 6 feet, perfect for swimming, boogie boarding, or just enjoying the surf vibe.
- **Water Slides and Rides:** Includes popular attractions like Crush 'n' Gusher, a water coaster with multiple slide options; Humunga Kowabunga, a set of steep drop slides; and Mayday Falls, a downhill raft ride.
- **Lazy River (Castaway Creek):** A gentle, leisurely river that winds around the park, perfect for floating and relaxing.
- **Snorkeling Lagoon:** Featuring real tropical fish, guests can snorkel among reef habitats without needing certification.
- **Play Areas:** Ketchakiddee Creek is a play zone designed for younger children with smaller slides, water cannons, and interactive water play.

### Types of Water Activities

- **Surfing/Boogie Boarding**
- **Water Slides**
- **Rafting**
- **Snorkeling**
- **Lazy River Tubing**

### Hours of Operation

- Typically open from **10:00 AM to 5:00 PM**, though hours vary seasonally and should be

checked on the official website for the exact date of visit.

## Admission Cost

- Single-day tickets start around **\$69-\$80 for adults** and **\$63-\$75 for children** (ages 3-9), with prices varying based on the season and any promotions.
- Multi-day or Park Hopper options that include admission to other Disney parks may be available.

## Amenities and Services

- Locker rentals, cabana rentals, and towel rentals are available.
- Food and beverage stands serve a variety of snacks, meals, and drinks.
- Life jackets are free for use.
- First aid stations and guest services for convenience and safety.

## Location and Accessibility

- Address: 1145 E Buena Vista Dr, Orlando, FL 32830, USA
- Latitude: 28.3657981
- Longitude: -81.5295597
- Located within the Walt Disney World Resort complex, easily accessible by Disney transportation services.

## Additional Notes

- Typhoon Lagoon does not include hiking or biking trails.
- The park is not dog-friendly; pets (other than service animals) are not allowed.
- Lockers and changing rooms are available for visitor convenience.
- Safety measures and height requirements apply to certain rides.

## Summary

Disney's Typhoon Lagoon Water Park combines water-based adventures with immersive tropical theming, featuring surf waves, thrilling slides, snorkeling with tropical fish, and relaxing lazy rivers. A perfect summer destination within Walt Disney World Resort that caters to families and thrill seekers alike.

## Universal Studios Orlando

### Summary

Universal Studios Orlando is a premier entertainment destination located in the heart of Orlando, Florida. Renowned for its thrilling rides, immersive themed attractions, and engaging shows, it offers a rich experience for families, thrill-seekers, and fans of movies and pop culture. Among its many attractions, Universal Studios features family-friendly areas like "If I Ran the Zoo," designed to spark creativity and fun in younger visitors. This theme park seamlessly blends entertainment, dining, and shopping, making it a top choice for visitors seeking an action-packed day in Central Florida.

---

### Location

- **Address:** 3000 Universal Studios Plaza, Florida Center, Orlando, FL, 32819, United States
- **Latitude:** 28.472624
- **Longitude:** -81.469771

---

### Attractions and Features

#### If I Ran the Zoo (Kids' Play Area)

- A themed interactive play area designed to engage children with creative play inspired by Dr. Seuss stories.
- Features various play structures, mazes, and activities that encourage imaginative exploration.
- Perfect for families with young children looking for a fun, less intense break from rides.

#### Theme Park Attractions

- Thrilling rides based on popular films and characters such as Harry Potter, Jurassic Park, Transformers, and Marvel superheroes.
- Live shows, character meet-and-greets, and 3D/4D cinematic experiences.
- Immersive themed zones including Diagon Alley, Springfield, and the Wizarding World of Harry Potter.

---

### Hours of Operation

- Universal Studios Orlando typically opens at **9:00 AM** and closes around **7:00 PM** to **10:00 PM**, depending on the day and season.
- Hours may vary on holidays and special events; visitors should check the official website

before planning their visit.

---

## Tickets and Pricing

- **General Admission:** Starts around \$109 per day for adults, prices vary by date and ticket type.
- Multi-day passes, park-to-park tickets, and express pass options are available for faster access to attractions.
- Discounts provided for children (ages 3-9), annual pass holders, and Florida residents.

---

## Additional Information

- No hiking or biking trails are available within Universal Studios Orlando, as it is an indoor/outdoor theme park environment focused on entertainment and rides.
- Pets are not permitted inside the park, except for service animals.
- The park offers various dining options from quick snacks to full-service restaurants featuring cuisine from around the world.
- Water activities are not part of the Universal Studios Orlando experience; however, nearby areas in Orlando provide options for boating, paddleboarding, and water sports.

## Summary

Fogo de Chão in Orlando, FL, is a Brazilian steakhouse renowned for its authentic churrasco-style dining experience, serving a variety of fire-roasted meats carved tableside and an extensive Market Table buffet with fresh salads, sides, and authentic Brazilian dishes. The restaurant includes a full bar where patrons can enjoy cocktails and bar food. Reservations are highly recommended due to its popularity, especially during peak hours. While Fogo de Chão does not typically advertise dog-friendly policies or outdoor seating, the focus lies heavily on high-quality, sustainably sourced ingredients, though it is not specifically a farm-to-table restaurant but emphasizes freshness and authenticity in its offerings.

## Detailed Description

### Cuisine and Food Style

Fogo de Chão offers an authentic Brazilian churrasco dining experience, emphasizing premium, fire-roasted meats served rodizio-style, meaning servers come to the table with skewers of various cuts of beef, lamb, pork, chicken, and sausage, carving directly onto the diners' plates. Their Market Table includes fresh seasonal vegetables, artisanal salads, traditional Brazilian sides (like pão de queijo and polenta), and warmed fresh breads. The focus is on bold, natural flavors with high-quality meat cuts grilled over open flames.

### Bar and Food Service

Fogo de Chão features a full-service bar, providing an extensive selection of Brazilian-inspired cocktails, fine wines, and craft beers. The bar also serves a limited menu of appetizers and lighter fare, allowing guests to dine without a full meal or while waiting for a table. The bar area is suited for casual dining and socializing.

### Reservations and Table Availability

Due to the restaurant's high popularity, especially on weekends and during dinner hours, reservations are strongly recommended for a smoother dining experience. Walk-ins may be accommodated during less busy times but expect possible wait times. Planning ahead ensures seating availability both in the main dining room and at the bar.

### Dog Friendliness and Outdoor Seating

Fogo de Chão Orlando does not typically list dog-friendly accommodations or outdoor seating options. It is primarily an indoor dining establishment, focusing on the atmosphere of its elegant main dining room. Guests with pets should verify current policy directly with the restaurant if this is essential.

### Farm-to-Table and Ingredient Sourcing

While Fogo de Chão does not promote itself explicitly as a farm-to-table restaurant, it emphasizes

sourcing high-quality ingredients and fresh produce to complement their expertly prepared meats. The restaurant focuses on authenticity and freshness, aligned with Brazilian culinary traditions, but the meat and vegetable sourcing is more traditional in nature rather than strictly local or farm-to-table certified.

## Pelican Roost RV Park

### Summary

Pelican Roost RV Park is an upscale RV camping facility located on Bon Hommes Richard St, within the Mayport area of Jacksonville, Florida. Operated by Navy Morale, Welfare, and Recreation (MWR), it offers a serene, well-maintained environment catering particularly to military personnel and their families, yet welcoming guests seeking a convenient and attractive destination near the Atlantic coast. The park combines full-service RV sites with modern amenities, spacious accommodations for larger rigs, and a family-friendly, pet-welcoming atmosphere.

---

### Location

- **Address:** Bon Hommes Richard St, Mayport, Jacksonville, FL 32226, United States
- **Coordinates:** Latitude 30.3940574, Longitude -81.4004525
- Situated close to Naval Station Mayport and just minutes from Jacksonville Beach and the Atlantic Ocean, offering scenic views and access to coastal attractions.

---

### RV Sites

- **Site Type:** Full hookup RV sites with water, electric, and sewer connections.
- **Site Size and Accessibility:**
  - Designed to accommodate a wide range of RV sizes, including large rigs.
  - The sites are spacious with pull-through and back-in options.
  - Pavement is well-maintained for smooth maneuvering.
  - Gravel or paved pads with picnic tables and fire rings available at many sites.
- **Suitability for Large Rigs:**
  - The park welcomes rigs up to 45 feet long comfortably.
  - Roads within the park are wide and clearly marked, ensuring easy navigation for large vehicles.
  - There are no reported significant clearance issues inside the park.

---

### Access and Route

- **Entrance Road:**
  - Access is via Bon Hommes Richard Street, a well-maintained road with easy ingress and egress.
  - The route to Pelican Roost from main Jacksonville thoroughfares is suitable for large RVs, with minimal

low-clearance obstacles and adequate turning radii.

- **Considerations for 45-foot rigs:**

- Adequate signage guides large vehicles safely into the park.
- The approach is usually straightforward without tight corners or narrow lanes.
- Parking areas and driving lanes inside the park have been designed with larger RVs in mind.

---

## Amenities and Facilities

- **Utilities:** Full water, sewer, and 30/50 Amp electric service hookups at all RV sites.
- **Restrooms and Showers:** Clean, modern bathhouses available on site for guests.
- **Laundry Facilities:** On-site laundry machines for guest convenience.
- **Wi-Fi:** Complimentary wireless internet access throughout the park.
- **Security:** Gated access with security measures in place benefiting from the proximity to the naval station.
- **Recreational Facilities:**

- Fishing access points along nearby waterways.
- Picnic areas with grills.
- Open green spaces conducive to outdoor activities and relaxation.

---

## Dog Friendliness

- The park is pet-friendly and welcomes dogs.
- Designated dog walking areas provide space for exercise.
- Pet owners must adhere to posted leash rules and clean-up policies to maintain the cleanliness and comfort of the park.
- Ample shaded areas allow pet owners to be comfortable while spending time outdoors with their pets.

---

## Additional Features

- Guests benefit from the military-affiliated hospitality, including organized community events and access to nearby military facilities and recreational opportunities.
- The park's location provides easy access to fishing, boating, and beach activities, enhancing the appeal for upscale, active travelers.

---

## Summary of Key Highlights

| Feature | Details |

|-----|-----|

| Max RV Length | Up to 45 feet comfortably supported |

Site Types	Full hookup, spacious pull-through and back-in
Utilities	Water, sewer, 30/50 Amp electric
Access Road	Wide, well-maintained, low clearance concerns
Pet Policy	Dog friendly with designated walking areas
Amenities	Wi-Fi, laundry, bathhouse, picnic and fishing
Security	Gated with proximity to Naval Station

Pelican Roost RV Park is ideal for upscale travelers seeking full-service sites with generous space, convenience, and a family- and pet-friendly atmosphere, all set in a scenic coastal context within Jacksonville's Mayport community.

## Summary

TPC Sawgrass - Dye's Valley Course in Ponte Vedra Beach, Florida, is a premier golf destination known for its challenging layout and scenic beauty. Designed by the legendary golf course architect Pete Dye, the course offers a variety of tee options catering to different skill levels, making it suitable for both amateur and experienced golfers. The course is well-rated and highly regarded among golf enthusiasts, with relatively accessible tee times compared to its more famous Stadium Course counterpart. On-site amenities include a restaurant, providing a comfortable and enjoyable experience for visitors. Green fees are competitive given the high quality of the golfing experience.

---

## TPC Sawgrass - Dye's Valley Course

### Address:

110 Championship Way, Ponte Vedra Beach, FL 32082

### Coordinates:

Latitude: 30.19899399847355

Longitude: -81.39551271312301

### Course Description:

TPC Sawgrass - Dye's Valley Course is the secondary course at the renowned TPC Sawgrass complex, complementing the famous Stadium Course. It is designed to offer a challenging but fair test of golf with a balance of longer holes, strategic bunkering, and water hazards that demand precision. The course winds through lush valleys with scenic views, creating a memorable golfing environment.

### Designer:

- Pete Dye, an influential and celebrated golf course architect known for his innovative and challenging designs, created the Dye's Valley Course. Dye's work is characterized by strategic hazards, bold contours, and visually intimidating features, all aimed to test every aspect of a player's game.

### Course Layout & Tee Information:

| Tee Set | Length (yards) | Course Rating | Slope Rating |

|-----|-----|-----|-----|

| Championship | 7,027 | 73.8 | 134 |

| Member | 6,659 | 72.6 | 129 |

| Forward | 6,095 | 69.4 | 120 |

- The Championship tees are designed for low-handicap and professional players, offering a true test of length and accuracy.
- The Member tees are more forgiving but still present a strong challenge.

- Forward tees accommodate amateurs and those seeking a less demanding round.

### **Overall Course Ranking:**

- The Dye's Valley Course consistently receives positive reviews from golf publications and players alike. It is often rated just below the iconic Stadium Course but remains one of the best secondary courses in the region.
- Golf Digest and other major golf outlets rate it highly for design, maintenance, and challenge, typically placing the course within top golf experiences in Florida.
- Its reputation is that of an excellent course that provides a different style of challenge compared to the Stadium Course, making it a favorite for returning visitors.

### **Ease of Booking Tee Times:**

- Tee times on Dye's Valley are generally easier to secure than on the Stadium Course, which hosts the Players Championship annually.
- While it is part of a prestigious resort community, availability is good with reasonable advance planning.
- Online tee sheet and phone reservations are available through the official TPC Sawgrass website.

### **On-site Amenities:**

- The course features a clubhouse with a full-service restaurant offering a variety of dining options including casual meals and specialty drinks.
- Additional amenities include a well-stocked pro shop, locker rooms, and practice facilities such as a driving range and putting greens.

### **Green Fees:**

- Green fees vary seasonally and depending on the day of the week.
- Typical rates range from approximately \$150 to \$250 per round for the Dye's Valley Course.
- Discounts or resident rates may apply for local players, and package deals including both the Stadium and Dye's Valley courses are sometimes offered.

---

### **Official Website:**

[TPC Sawgrass - Dye's Valley Course](<https://tpc.com/sawgrass/dyes-valley-course/>)

---

This combination of top-tier design by Pete Dye, well-kept facilities, and accessible tee times makes Dye's Valley Course a premier destination for golfers visiting the Ponte Vedra Beach area.

## Blackrock Trail

---

### Summary

Blackrock Trail is a popular hiking trail located in Jacksonville, Florida, offering a natural and scenic outdoor experience. It is known for its moderate length and accessibility, making it a favored spot for local hikers and outdoor enthusiasts. The trail provides opportunities for walking, jogging, and enjoying the region's flora and fauna. It is dog-friendly, ideal for pet owners who want to explore nature with their companions.

### Blackrock Trail - Jacksonville, FL

#### Trail Overview

- **Location:** Jacksonville, FL, United States
- **Coordinates:** Latitude 30.4908886, Longitude -81.4415798
- **Trail Type:** Hiking

#### Trail Details

- **Length:** Approximately 1.5 miles (round trip)
- **Difficulty:** Easy to moderate, suitable for hikers of all skill levels
- **Terrain:** Mostly flat with some sandy and natural surfaces, typical of Florida's coastal forest trails
- **Dog Friendly:** Yes, dogs are welcome on the trail; leash required
- **Trail Use:** Hiking, jogging, nature walks

#### Natural Features

- The trail weaves through a lush coastal forest environment featuring native trees and shrubs.
- Wildlife such as birds, small mammals, and reptiles can often be seen along the trail.
- Offers shaded areas making it comfortable during warmer months.

#### Access and Amenities

- Parking is generally available near the trailhead.
- There are no formal restrooms or water fountains directly on this trail, so visitors should come prepared.
- No permits or fees are required to access the Blackrock Trail.

#### Nearby Attractions

- Jacksonville offers other outdoor activities including bike trails, parks, and waterways suitable for boating and paddle sports.
- The trail's proximity to the St. Johns River adds opportunities for additional water activities close by.

Blackrock Trail provides a peaceful and accessible natural escape for residents and visitors in Jacksonville, FL, ideal for those seeking easy to moderate hiking amidst Florida's unique coastal ecosystem. It is a dog-friendly trail that welcomes hikers looking for a quick, nature-filled outing without the challenges of more strenuous hikes.

## Jacksonville Sports Car Museum

### Summary

The Jacksonville Sports Car Museum, located in Heritage Deerwood, Jacksonville, Florida, is a specialized automotive museum focused on showcasing an exquisite collection of rare, vintage, and exotic sports cars. The museum offers visitors the chance to view a diverse range of unique vehicles, representing a broad spectrum of automotive history and engineering excellence. It provides an immersive experience for car enthusiasts and those interested in the art and technology of sports cars.

### Focus and Displays

The museum is dedicated to sports cars, featuring an impressive collection of vintage, classic, and rare sports cars from various eras and manufacturers. The exhibits include beautifully preserved and meticulously maintained vehicles that highlight innovations in automotive design and performance. The displays are designed to appeal to car collectors, enthusiasts, and the general public who appreciate automotive history and craftsmanship.

### Hours of Operation

- Monday through Friday: 9:00 AM to 5:00 PM
- Saturday and Sunday: Closed (check website for occasional special events)

### Cost

- Admission: Usually free or by appointment; however, it is advisable to check the official website or contact the museum directly for current admission policies and any special event fees.

### Location

- Address: 7601 Centurion Pkwy, Heritage Deerwood, Jacksonville, FL, 32256, United States
- Coordinates: Latitude 30.2398351, Longitude -81.5432377

### Additional Information

- The museum is situated within the Heritage Deerwood business complex, making it easily accessible to visitors in Jacksonville.
- Photography is generally allowed, but visitors should verify any restrictions or guidelines on the official site.
- The museum may offer special events and private tours tailored to automotive enthusiasts and groups.

---

### Nearby Outdoor Activities (Contextual Information for Visitors)

While the Jacksonville Sports Car Museum itself does not offer hiking or water activities, Jacksonville has a variety of trails and outdoor options nearby:

### **Hiking Trails**

- **Timucuan Trail:** Length varies up to 30 miles, moderate difficulty, dog friendly on leash.
- **Hanna Park Trail:** 5 miles, easy to moderate difficulty, dog friendly.

### **Bike Trails**

- **JTB (J. Turner Butler) Trail:** Paved surface, approximately 7.5 miles, moderate difficulty.
- **Sante Fe Bike Trail:** Mixed surface, about 12 miles, easy to moderate difficulty.

### **Water Activities**

- Nearby St. Johns River and Atlantic Ocean offer canoeing, paddleboarding, sailing, and tubing options.

For detailed trail and activity info, visitors are recommended to explore local park websites or Jacksonville city outdoor resources.

## Summary

Torrey Oaks RV Resort in Bowling Green, Florida, is an upscale and well-maintained RV park catering to travelers seeking a comfortable and tranquil environment. Known for its spacious RV sites, top-tier amenities, and scenic surroundings, the resort offers a refined experience ideal for both short-term visitors and long-term residents. It provides excellent access for large rigs, including those up to 45 feet, and welcomes pets with dog-friendly policies, making it a favorite among upscale RV enthusiasts in the region.

## Torrey Oaks RV Resort Detailed Description

### Location

- **Address:** 2908 Country Club Dr, Bowling Green, FL, 33834, United States
- **Coordinates:** Latitude 27.6045662, Longitude -81.8307844
- Nestled in a peaceful area of Bowling Green, FL, this resort is easily accessible yet provides a quiet retreat surrounded by Florida's natural beauty.

### RV Sites

- The park offers spacious, well-appointed RV sites designed to accommodate rigs up to 45 feet in length comfortably.
- Each site typically includes full hookups: water, sewer, and 30/50 amp electric service.
- Sites are level and provide ample space for slide-outs, outdoor living, and privacy.
- Many sites have concrete pads and manicured landscaping enhancing the overall upscale ambiance.
- Pull-through and back-in sites available, catering to various parking preferences and large rig maneuvering.

### Facilities & Amenities

- **Clubhouse:** A modern clubhouse where guests can socialize, relax or attend events.
- **Laundry Facilities:** On-site laundry services for guest convenience.
- **Restrooms and Showers:** Well-maintained, clean restroom and shower facilities are accessible for guest use.
- **Wi-Fi:** Reliable high-speed Wi-Fi coverage throughout the park.
- **Swimming Pool:** A clean and inviting pool area for rejuvenation and leisure.
- **Fitness Center:** Some upscale RV resorts include a fitness facility, and though not explicitly listed on the Facebook page, this is common among resorts of this caliber.
- **Outdoor Recreational Areas:** Walking trails, picnic areas, and shaded seating areas enhance guest experience.
- **Gated Community:** Security at the entrance to ensure a safe and private environment.

## Accessibility for Large Rigs (Up to 45 Feet)

- **Park Entrance & Roads:** The roads leading into and throughout the park are designed to accommodate large rigs, including 45-footers.
- **Maneuvering Space:** Wide roadways and spacious sites allow for easy turning and parking of large RVs.
- The park's location off Country Club Drive provides straightforward access with gentle curves and minimal low-clearance obstacles.
- The entrance is well signposted, and the layout ensures large vehicles can navigate without issues.

## Dog Friendliness

- Torrey Oaks RV Resort is dog-friendly, welcoming guests traveling with pets.
- The property includes designated pet areas for dog walking and exercise.
- Pet rules are in place to ensure cleanliness and consideration for other guests, typical of upscale parks.
- Ample green space around the resort allows for pleasant outdoor time with dogs.

## Additional Highlights

- The natural surroundings with Florida's greenery and peaceful ambiance offer a relaxing setting.
- Close proximity to local shops, restaurants, and natural attractions adds convenience without sacrificing tranquility.
- Friendly and professional management focused on maintaining high standards for cleanliness, service, and guest satisfaction.

---

Torrey Oaks RV Resort is ideal for travelers seeking a high-end, comfortable RV experience with large rig accommodation, excellent facilities, and a pet-friendly environment in scenic Southwest Florida.

## Streamsong Golf Resort

### Summary

Streamsong Golf Resort, located in Bowling Green, Florida, is a premier destination for golf enthusiasts, offering two top-ranked courses designed by legendary golf architects. With its unique location on a reclaimed phosphate mining site, the resort provides a distinctive golfing experience combined with luxury accommodations and excellent dining options. The courses at Streamsong are known for their challenging layouts, natural landscapes, and exceptional conditioning, attracting golf lovers from around the world.

---

### Course Overview

#### Streamsong Red

- **Designer:** Bill Coore & Ben Crenshaw
- **Length:**

- Black Tees: 7,033 yards
- Blue Tees: 6,565 yards
- White Tees: 6,101 yards
- Red Tees: 5,208 yards

- **Course Rating & Slope:**

- Black Tees: 74.7 / 143
- Blue Tees: 72.8 / 139
- White Tees: 70.4 / 132
- Red Tees: 73.1 / 136

- **Description:** Streamsong Red features wide, rolling fairways and strategic bunkering, creating a classic, walkable golf experience that complements the natural landscape with subtle design elements.

#### Streamsong Blue

- **Designer:** Tom Doak
- **Length:**

- Black Tees: 7,117 yards
- Blue Tees: 6,608 yards
- White Tees: 6,082 yards
- Red Tees: 5,189 yards

- **Course Rating & Slope:**

- Black Tees: 75.7 / 139
- Blue Tees: 73.5 / 133
- White Tees: 71.5 / 126
- Red Tees: 69.8 / 123

- **Description:** Streamsong Blue is a more rugged and dramatic course with significant elevation changes, deep pot bunkers, and a links-style feel that rewards accuracy and shot-making skills.

### **Streamsong Black (Third Course)**

- **Designer:** Gil Hanse
- **Length:**

- Black Tees: Approx. 7,191 yards
- Other tees length varies (usually shorter)

- **Course Rating & Slope:**

- Black Tees: 75.2 / 140 (approximate, as exact figures can vary)

- **Description:** Streamsong Black is the newest of the three courses, featuring a layout that emphasizes strategy and shot placement amid natural sand dunes, minimal rough, and fast greens.

---

### **Course Rankings**

- Streamsong Resort courses consistently rank among the top 50 public golf courses in the United States.
- Streamsong Red and Streamsong Blue often appear in Golf Digest's Top 100 Public Courses list.
- Golfweek and Golf Magazine also rate these courses highly for design, conditioning, and overall golf experience.

---

### **Tee Time Availability**

- Tee times are generally attainable with moderate advance booking, especially during the shoulder seasons of spring and fall.
- The resort allows online booking through their official website.
- Peak times and weekends may require booking several weeks in advance due to the resort's popularity and small number of daily tee times offered to non-guests.

---

### **Dining and Amenities**

- **Restaurants:** Yes, Streamsong Golf Resort has multiple dining options on site, including the Watershed Restaurant, which offers a fine dining experience with an emphasis on farm-to-

table and locally sourced ingredients.

- Additional bars and casual dining are available to guests, including a terrace overlooking the course.
- Amenities also include a world-class spa, pools, fitness center, and guided outdoor activities.

---

## Green Fees

- Green fees vary seasonally and based on the course played.
- Typical rates range approximately from \$175 to \$225 per round per course for non-hotel guests.
- Resort guests may enjoy discounted rates or packages including accommodations and golf.
- Multi-round packages and special offers are periodically available via the official Streamsong website.

---

## Location & Contact

- **Address:** 1000 Streamsong Dr, Bowling Green, FL 33834
- **Website:** [<http://www.streamsongresort.com/>](<http://www.streamsongresort.com/>)

---

In summary, Streamsong Golf Resort offers three exceptional golf courses designed by prominent architects, challenging golfers of all skill levels with world-class layouts in a stunning natural setting. The courses are highly rated and accessible with some advance planning, complemented by luxury amenities and excellent dining, making it a top-tier golf destination in Florida.

## RecNation RV & Boat Storage - Fort Myers, FL

### Summary

RecNation RV & Boat Storage in Fort Myers, FL offers an upscale environment primarily designed for secure storage of recreational vehicles and boats. While it is more focused on storage rather than traditional RV camping, its facilities are modern, spacious, and secure, catering especially to owners of larger rigs. The location ensures easy access for oversized vehicles, providing peace of mind with their well-maintained grounds and robust security measures. Although geared toward storage rather than overnight camping, the property maintains a professional and well-kept environment, suitable for storing high-value RVs and boats, with some dog-friendly considerations.

### Location

- Address: 3151 Old Metro Pkwy, Fort Myers, FL 33916
- Latitude: 26.620861
- Longitude: -81.851261
- Accessible from major roads and highways in Fort Myers for convenient entry and exit.

### RV Sites

- Primarily designed as storage spaces rather than traditional RV campsites.
- Spaces accommodate various RV sizes including large rigs up to and exceeding 45 feet in length.
- The lot sizes are ample for large RVs, allowing easy maneuvering and parking.
- Surface is well-maintained asphalt, providing durable, clean, and dust-free storage areas.

### Access for Large Rigs (45 feet and larger)

- Designed to accommodate large vehicles and boats, with wide drives and ample turning radii.
- The route into the park from nearby highways is accessible for large rigs, with no significant obstacles such as low overhangs or narrow roads.
- The facility's entry gates and aisles are large enough for safe and efficient maneuvers.
- Regular maintenance ensures smooth entry and exit.
- 24/7 access availability supports flexible arrival and departure times for large rigs.

### Facilities and Amenities

- Secure gated community with electronic gate access requiring personalized codes.
- Surveillance cameras throughout the property provide enhanced security.
- Well-lit premises offer safety during nighttime access.
- On-site management available during business hours for assistance.

- Clean, professional appearance with regular landscaping and upkeep.
- Facility offers covered and uncovered storage options.
- The environment is designed to protect RVs and boats from weather and vandalism, adding an extra layer of protection critical for upscale storage customers.

### **Dog Friendliness**

- While the facility is not a traditional RV park with amenities for overnight camping, it operates as a professional storage location.
- Guests visiting with pets should note the facility allows dog owners to access their vehicles, but there are no designated dog parks or pet-specific amenities on-site.
- The spacious grounds allow for short leash walks but do not provide fenced or landscaped pet areas.
- Pet owners are expected to clean up after their animals and keep them under control at all times.

### **Summary of Features Important for Upscale RV Owners**

- Professional storage environment with high security.
- Ample parking and storage spaces accommodating large rigs, including those 45 feet and longer.
- 24/7 electronic gate access ensures owners can retrieve vehicles anytime.
- Clean, well-maintained asphalt parking surfaces that prevent dust and mud.
- Wide access roads and generous turning areas for large vehicles.
- Quiet, secure, and convenient location in Fort Myers.
- Dog-friendly access with an expectation of responsible pet ownership.

While not a destination campground, RecNation RV & Boat Storage is an ideal choice for upscale RV owners seeking safe, convenient, and accessible long-term or short-term storage in a premium facility that handles large rigs with ease.
